General Information

Located in downtown Toronto and part of the University of Toronto, the Rotman School of Management is home to the #1 MBA program in Canada. As well as being the top business school in Canada, Rotman consistently ranks in the global top 10 for finance, and for faculty and research.

The Rotman School offers a bold vision for business education that can't be found anywhere else. At Rotman, students will learn to go beyond the functional areas of business to consider the big picture, approaching each challenge with creativity and a willingness to take risks. Our innovative methodology - characterized by Integrative Thinking and Business Design - will allow students to tackle the wicked problems of the modern economy

Toronto is the 4th largest city in North America and its 3rd largest centre for financial services and communications technology, the site of major clusters of innovation in industries ranging from aerospace to biotech. A city of neighbourhoods, it is one of the most culturally diverse places on earth, and its openness to the global economy make it a perfect spot to gain an international perspective on business. Known for its safe, clean streets and a vibrant culture, it's a great place to live and work. The Rotman School takes full advantage of its downtown location - just blocks from Bay Street - by drawing on a rich pool of business and political leaders as teachers, mentors and speakers.

	Consulting	Investment Banking
	Financial Reporting and Analysis	Leadership and Change Management
	Funds Management	Process and Supply Chain Management
	Global Management	Real Estate
	Health Sector Management	Risk Management and Financial Engineering

Computing Requirements

All Rotman MBA students are required to own a laptop computer. This enables all students to learn how to use technology in a business environment, effectively work on assignments and take advantage of our new initiatives (RWorld, the Rotman web portal) and the wireless computer network). We strongly recommend that all exchange students either bring a laptop to Rotman or plan to purchase one upon arrival. All exchange students will receive free access to email and RWorld for the duration of the exchange period. Please note: upon arrival and registration, all communications from the Rotman School will be via the Rotman email address: firstname.lastname17@rotman.utoronto.ca.

Dress Code

MBA students tend to dress casually when attending classes; however, there are many networking opportunities at seminars, speaker series or receptions where a suit (business attire) would be more appropriate. Some courses also have a presentation component where business attire would be expected. We recommend that exchange students bring at least one business suit for these occasions.

Career Centre

For international exchange students who may be interested in working in Canada, the Career Centre (CC) at the Rotman School is happy to offer reciprocal career planning services to students from our partner universities. It is important to keep in mind, however, that the Canadian government requires non-domestic individuals to obtain work permits in order to legally work in Canada. To find out more about working in Canada, please visit <http://www.cic.gc.ca/english/work/index.asp>.

Estimated Cost of Living in Canadian dollars (for 4 months)

Accommodation	\$2,600 to 4,600
Food	\$1,300.00 to \$1,800
Books & Course Materials*	\$800
Transportation (local)	\$450
Required Health Insurance**	\$204
TOTAL	\$5,754 to \$7,854

* All MBA students are required to pay for electives course packages ranging from C\$20 to C\$150 per package.

**Exchange students are required to purchase the University Health Insurance Plan (UHIP), which is approximately \$204 CDN per term. As UHIP only covers basic expenses, we strongly recommend students buy extended health care coverage before coming to U of T.

Housing Availability

Rotman does not have its own student residence and so, exchange students are responsible for securing their own accommodation. While the University of Toronto has on-campus residence, due to the fact that demand exceeds supply, acceptance to the Rotman International Exchange Program does not guarantee a place in residence.

Exchange students are encouraged to independently explore the list options given (eg. U of T Student Housing Services www.housing.utoronto.ca). Incoming exchange students may also connect with Rotman outgoing exchange students for support and to see if accommodations can be swapped if exchange terms coincide. We highly recommend that exchange students begin the search for on or off-campus housing as soon as possible.

Student Life

Getting involved is the best way to maximize the MBA experience. Rotman offers an array of opportunities to engage with the Rotman community and to broaden students' impact as a future leader. The best part of student life at Rotman is that it is largely organized and led by students, allowing individuals to hone their leadership skills and give back to the community.

The social, networking, and career-building activities centred around the student clubs at Rotman are an essential part of the MBA experience. Exchange students are strongly encouraged to explore the remarkable range and diversity of student clubs available in the Full-Time MBA program (<http://inside.rotman.utoronto.ca/gbc/>).

Each year, Rotman hosts over 100 public talks by international bestselling authors, top management executives and other influential thought leaders. These events provide students an unparalleled exposure to some of today's business leaders.

Facilities

The University of Toronto has a comprehensive range of student services, including athletic facilities, international student support and centre (<http://www.studentlife.utoronto.ca/cie/>), counselling and restaurants. The Rotman School provides a building access card, a Rotman e-mail address (for use while at the Rotman School), a Finance Trading Lab and a Business Information Centre that has extensive databases for research.
